

PIECES OF 8 - OCTOBER 2018

So, it's been a long time since we've sent a newsletter out....and now it's OCTOBER...how did that happen?? Guess we all have been a little busy! We've updated the layout of your Pieces of 8 just a bit, too. We're also working hard to keep the Region 8 website current and have all of the information in one place...please utilize this. I appreciate your patience with me this year!

Marketing Center Training Library

Membership Matters!

We all struggle with ideas for marketing and membership growth ideas. Sweet Adelines International has a great "Marketing Center Training Library" you can reference for ideas and training. This includes some discussion slides that show actual types of marketing and results achieved from choruses that piloted some of these ideas.

This is a great resource and we encourage you to check it out for ideas on how you can invigorate your own chorus marketing...for membership or shows.

The faculty for both of these events will be our own **SHARON BABB** and **TORI POSTMA!**

Help with Sales Area needed!

Each year at our Regional Convention, we have a Sales Area where we sell goodies! We're trying to increase the number of vendors we have participating, so would appreciate contact information for vendors who we could approach to participate!

We also could use someone to coordinate the Sales Area! It's not a hard job and most of the "work" will be done prior to Regional Contest!

If anyone has vendor information or would like to help coordinate the Sales Area, please contact Andrea Hass at HassAJ@aol.com. Thanks in advance for your help!

Stevie Dugdale, Mountain Jubilee, and **Anna-Lisa Glad**, Bella Voce, have earned the level of Harmony 500 Director by virtue of the score their choruses received at the 2018 Regional Competition.

Congratulations to both of them!
