

## PIECES OF 8 - MAY 2020

Well, this has not been the spring that we thought was going to happen. But the Regional Management Team, Sweet Adelines International Board of Directors, and International headquarters staff have been working hard to keep our music education alive and reaching great new heights!

There have been meetings with chapter team leaders and directors, as well as meetings with regional leadership to brainstorm what we as a region can offer you during this unprecedented time. Stay tuned for some fun things coming your way!

Please let us know if you need ANYTHING! We are here for you and desperately look forward to the next time we can all be together in person.

Take care!
